## Programs, Products & Specifications

**We have what it takes**

**To Make Your Profits**

**Grow**

**Pro-Tech Seal Manufacturing Inc.**

3550 - 97 Street NW, Edmonton, Alberta T6E 6B3

Ph: 780.489.1800 Fax: 780.489.1814

E-Mail: [info@pro-techseal.ca](mailto:info@pro-techseal.ca) [www.pro-techseal.ca](http://www.pro-techseal.ca)

## PROGRAM HIGHLIGHTS

- **Premium Chemical Products**
  - Pearl Express Spray on Paint Sealant (Reduced Application Time)
  - Fabric Fortifier
  - Leather & Vinyl Protector
  - Clear Rust Inhibitor (Body Panels)
  - Black Rust & Soundgard Undercoat
  - Customer Care Kit
  
- **Custom Designed Equipment** to eliminate over spray
  
- **New Profit Making Programs**
  - Surface Rust Protection / Rip-Tear-Burn Protection
  - Acid Rain, Bird Droppings, Tree Sap Protection
  - Auto Saver Electronic Rust Control System for Dealers with limited application space
  - Pro-Tech Secure Anti-theft Programs, Glass & Metal Etch
  - Secure Ride Nitrogen installed Tire and Wheel Road Hazard Warranty
  
- **Warranty**
  - Administered by Pro-Tech Seal
  - Online Warranty Registration and Claims Processing
  - Fast Effective Claims Handling ( 1-800-661-6910 )
  - Lifetime coverage on new vehicles up to 3 years old.
  - Used eligibility up to 7 years old with coverage up to 10 years from in service date
  - No Inspection- Gold Seal Warranty also available
  - Customer Recall Program-online only for email notification
  
- **On Going Service & Training**
  - F & I Sales Training & Personalized Sales Plans
  - Experienced Technical Service Rep's
  - Applicator Training
  - Web Site for Customer information

# Standard Guarantee Insurance Company

## CERTIFICATE OF INSURANCE

# Pearl Guard

## One Time Application

- Contains **2 to 3 times the active ingredients** found in other sealants
- PSS 535 & PSS 536 monomers crosslink, forming a **super polymer** bonding to the paint.
- **Retards Oxidation** & protects vehicle from harmful ultraviolet rays due to ozone depletion.
- **White chalking appearance is eliminated.**
- **Transforms the finish** to resist rain, ice, snow, salt and harsh detergents.
- **Does not require a restoration** product and eliminates the need of waxing.
- Can be applied by hand, orbital or circular buffers.
- Is adaptable to two step application for damaged paint surfaces.

## (Optional) Surface Rust Warranty

**GUARANTEES** the performance of our Pearl Guard Paint Sealant and **Insures your customer from costly surface rust repairs** caused by stone chips and scratches. This benefit is **NOT** covered by any manufacturer's warranty.

***GIVE YOUR APPLICATOR A BREAK***

***GIVE YOUR CUSTOMER THE BEST***

***TRY PEARL GUARD***

# Tech Highlights

**PRO-TECH SEAL PEARL GUARD PAINT SEALANT** Is a new high-tech chemical formulation designed to increase the flexibility and durability of the new clear coat automotive painted surfaces. Lowering the probability of complete paint removal by stone chips and scratches thereby reduces the possibility of rust formation.

## Formulated specifically for new two coat paint system

Many car care shops don't understand the special handling the new base coat/clear coat paint finishes require. The two stage painting process begins with a flat color coat (basecoat) topped by a thick, clear, protective layer (clearcoat). When the finish is cleaned and polished, only the top layer is affected. The color basecoat is still **vulnerable to fading** from the ultra violet ray damage from sunlight. Sealing the clear coat with Pearl Guard Sealant, will protect and maintain a cars original new car look.

## PROSHINE BUFFING COMPOUNDS

An automobile paint conditioner product designed to remove light to heavy scratches, oxidization and other paint imperfections before application of paint sealant for a two step process. **Designed for high speed buffer application.** Available in light, medium or heavy cut.

Proshine (Light) Probuff (Medium)

ProCut (Heavy)

## Pearl Express Sealant

Pro-Tech Seal has *revolutionized* the Paint Sealant application process by reducing the labor costs seventy five percent.

- Normal vehicle preparation
- **Spray on** Pearl Guard rather than hand application

**Cars & Trucks application in 60 seconds**

**RV application in 5 minutes**

Air Spray applicator required

- **Buff to shine**

Cars & Trucks in 10 minutes

RV's in 30 to 60 minutes using telescoping Buffing Wand

## Interior Package

### Fabric Protector

- **Solvent base** providing superior absorption into fabric; rapid drying; **no fluorocarbon content for environmental safety.**
- **Commercial Grade Active ingredients**, provide an invisible coating with no discoloration of fabric.
- **Beading action** prevents penetration of water based fluids & stains.
- **Odorless application**
- **Does not stain** vinyl and leather.

### Leather & Vinyl Sealant

- **Penetrates into leather and vinyl**, locking in the natural oils and pigmentations and resists drying out of the material.
- Formulated specifically as a **Protect-all** that shields against **fading or discoloration** from ozone, ultra violet rays and sun heat.
- Prevents condensation and mildew build up.
- **Flat finish** eliminates glare on dash board.
- Does not leave an **oily finish and does not collect dust**

### (Optional) Rip Tear Burn Warranty

**Guarantee's the Performance** of Fabric Protector and insures your customers from costly repairs caused by Rip's, Tears and Burns.

This benefit is **NOT** covered by any manufactures warranty.

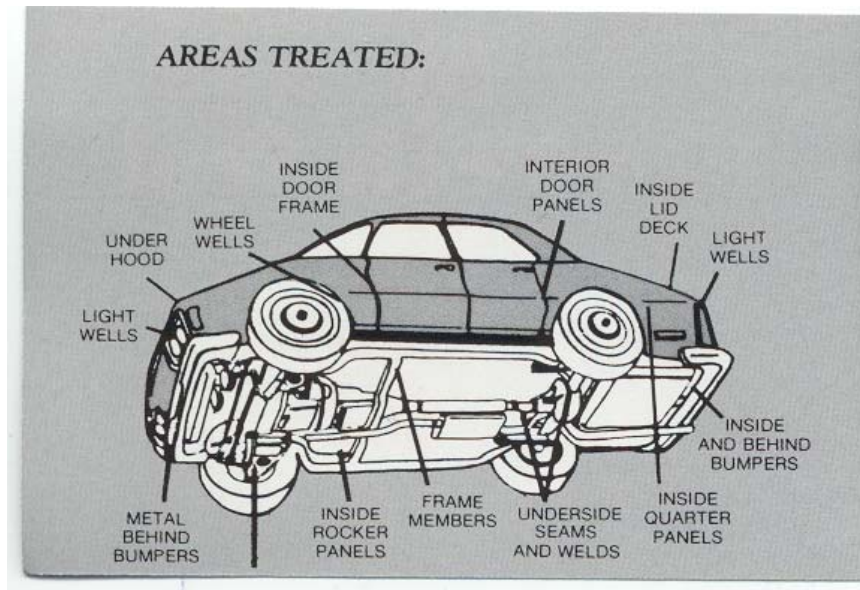

**Upholstery Fortifier** extends fabric life.

**Fire retardant** increases upholstery fire resistance

## Clear Rust Inhibitor

- Formulated to **penetrate seams and crevices** - capillary action. Mist coating on all inner surfaces.
- Protects rocker panels, quarter panels, doors, hoods and trunk lids
- **Repels all moisture and oxygen** remaining active indefinitely.
- Protects against atmospheric salts and corrosives such as sulphur dioxide and road salt.
- Non toxic and abrasion resistant.
- **No drilling of holes** in auto body - no drip - no mess.
- **Does not clog** drain holes or window mechanisms & electric motors, circuits or switches.

# The Auto Saver System

## THE 21ST CENTURY AUTOMOTIVE CORROSION CONTROL SYSTEM

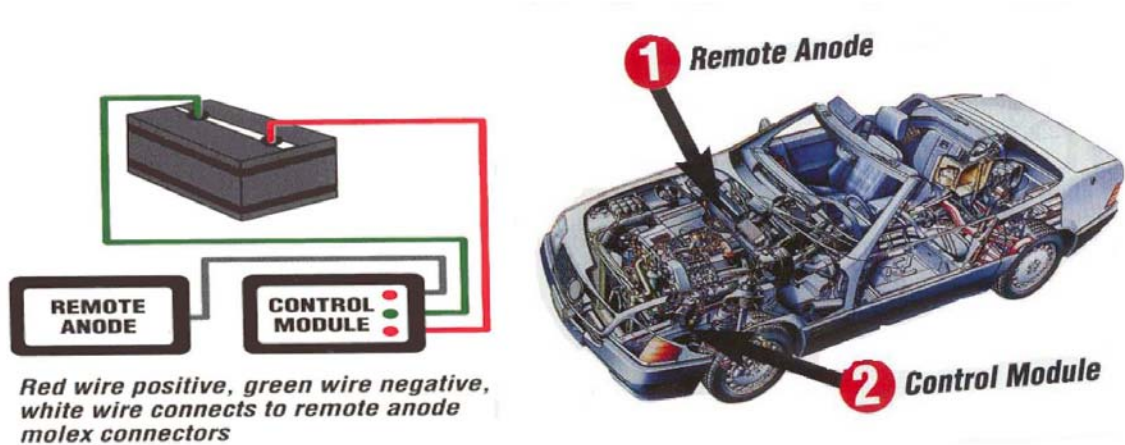

The Auto Saver is an Electronic Environmentally Friendly alternative for Rust Inhibiting protection.

- Delays the effects of rust formation from 3 to 5 times longer than unprotected metal.
- Used to protect underground pipelines, bridges, ships.
- Adapted for use in the automobile protection industry.

### Tested by-

- NATIONAL INSTITUTE OF TECHNICAL STANDARDS, USA and
- CANADIAN CENTRE OF INDUSTRIAL RESEARCH OF QUEBEC.

We recommend this system be adapted for high end makes and model vehicles or as a “Hi Tech” alternative for customers opposed to chemical rust proofing..

## Undercarriage Protection

**Three revolutionary formulated products and thicknesses to select from.**

- Added benefit of **sound deadening and rust proofing.**
- Mud and stone shield protection.
- Non hazardous to health -**completely asbestos free.**
- Formula is impervious to heat and cold - **no cracking or peeling.**

### **Black Rust Inhibitor Light and Heavy Product**

- **Antiperforation and product replacement warranty.**
- Protection against underbody corrosion.
- 68% of solid components are enhanced rust preventative agents.
- Exclusive airless pumping system **reduces overspray by 90%**

### **Soundgard Product**

- **Product replacement** warranty.
- Exclusive airless pumping system **reduces overspray by 90%**

# Tech Highlights

## Undercoat

### Major Product Differences in Chemical Composition and Quality

(In Order of Importance)

<u>Chemical Properties</u>	<u>Undercoat Light #1 – Heavy Undercoat #2</u>	<u>Soundgard</u>
Asphalt Gums (Base Product)	Refined product to improve spray pattern and reduce overspray. Improved drying time	Same
Neoprene Rubber	Refined Top-Grade Product with improved sound deadening. Reduces rock damage. Improve dried film flexibility.	Refined Product, Thicker Characteristics.
Rust Inhibitor and Protection Qualities	68% solid components; consists of rust inhibiting chemical agents providing a chemical shield and galvanizing action.	N/A
Water Proofing Oils and Solvents	Guaranteed 38°C Flash Point, viscosity variations for extreme temperature change & sprayability, decreased overspray.	38°C Flash Point
Plastic Resins	Increased adhesion capabilities and toughness; bends & flexes with body parts	N/A
Glycol Ethers Processed Clays Alcohol	All Weather Resistance	All Weather Resistance
Aromatic Solvents	Completely asbestos free, non-hazardous to health, no strong odours.	Same
Warranty	<b>Total rust perforation repair &amp; product re-application.</b>	Product Replacement Only
Product Usage	Can be layered for thicker application #1 requires 2L for average vehicle #2 requires 3L for average vehicle	Thick Application requires 4-5L for Average Vehicle

# Promotional Aids

All **Pro-Tech Seal** products and programs come complete with Point of sale and promotional material necessary for the effective presentation to new & used purchasing customers.

## **1. Premium Chemical Program.**

- ◆ Customer Brochures
- ◆ Display Demonstration boards (Wall or Desktop size).
- ◆ Fabric Protector Strips.
- ◆ Custom made Finance Manager product pricing menu.
- ◆ Window Decals.

## **2. Glass , Metal Etch or Data Dot Theft Deterrent Program.**

- ◆ Desktop Demo Display.
- ◆ Window Decals.

## **3. Secure Ride Road Hazard Program**

- ◆ Customized Brochures
- ◆ N2 Kit
- ◆ Posters/Banner

## **4. Pro-Tech Seal's Web-site for Customer & Dealer reference.**

# Dealer Equipment Configuration Policy

**Pro-Tech Seal will supply one of the following Systems  
Depending on the Dealer Requirements**

	<b>System #1</b>	<b>System #2</b>

**HVLP Gun (Pearl Express)**

#66 (picture not available) \$44.95  
**360° Rigid Wand**

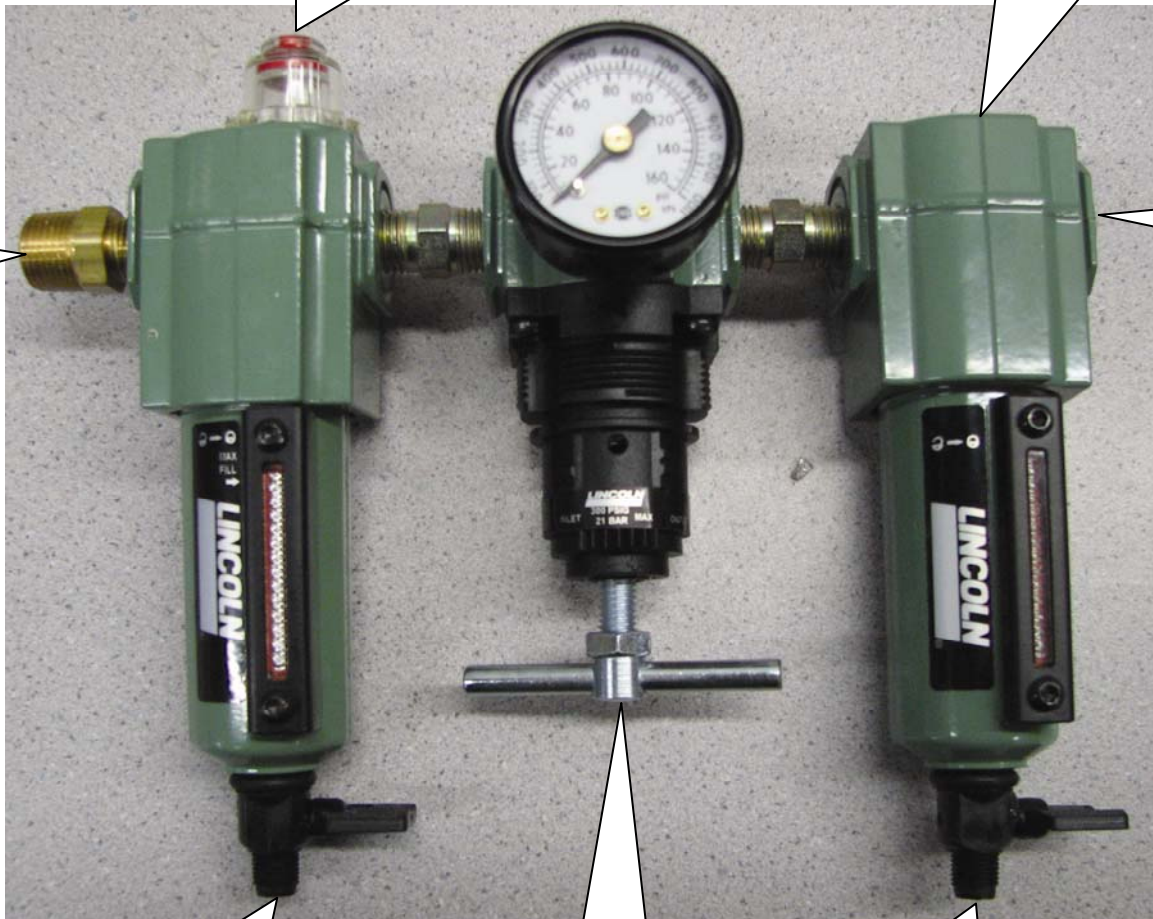

## Air Set-Up

Adjust Oiler by rotating the adjuster on top to the flow needed. Keep full of Oil.

Air Filter –  
Please drain Daily

To the Air  
Motor

Air Inlet

Lubricator – Part# LNC602204  
The Undercoat Pump Air Motor  
only needs **ONE** Drop of oil for  
each 10 – 15 cycles.

To Drain – Loosen Valve – This  
valve should be left loose. So it  
leaks a little – this will insure  
that no water gets into the Air  
Motor.

Air Regulator – Part # LNC602004  
Adjust to 90 PSI (100 PSI max) after  
pump has loaded Undercoat.

Undercoat Pump

**Auto Warranty Cost & Eligibility**  
**( Dealer Copy for Accounting Remittance )**

**Pro-Tech Seal supplies a fully insured warranty on each Individual vehicle application.**

**1. Premium Chemical Program**

**New Vehicle Registration Fee** (\$25.<sup>00</sup>) (Gold Seal Warranty \$40.<sup>00</sup>)

**New Vehicle Definition** – Any vehicle 12 months old or newer from current model year with less than 24,000 km.

**New Vehicle Eligibility Extension** (\$10.<sup>00</sup>) - Authorizes the issuing Dealer to extend the eligibility requirements for new vehicle coverage to vehicles which are up to 4 Model years or 3 Calendar years with less than 150,000 km.

**New Vehicle Coverage** – Life time to original customer

**Eligibility for Transfer** (\$50.<sup>00</sup>) - Up to 7 years from in-service date to a maximum coverage term of 10 years from in-service date

**Used Vehicle Inspection** – 96 Month card MUST be submitted showing inspection results, or if Online the 'INSPECTION' check box must be completed.

**Used Vehicle Eligibility:** (West: \$40.<sup>00</sup> East: \$45.<sup>00</sup>) - (Not available on Gold Seal Warranty)

5 Model Years yrs old or newer with less than 150,000 km – 5 yrs coverage from date of sale

6 Model Years yrs old or newer with less than 150,000 km – 4 yrs coverage from date of sale

7 Model Years yrs old or newer with less than 150,000 km – 3 yrs coverage from date of sale

**Warranty Re-Instatement** (\$50.<sup>00</sup>) - Cancelled warranties due to non-inspections can be re-instated by submitting an inspection report indicating no current warrantable problems existing plus a re-instatement fee of (\$50.<sup>00</sup>) and a deductible fee (\$250.<sup>00</sup>) payable on future claims. Reinstatements will only be allowed on up to 6 year old vehicles from original in service date. The maximum term of the reinstated warranty will be for 10 years from in service date for the original customer only.

**Acid Rain Coverage** - Renewed every 4 years with Paint Sealant re-application by Dealer - Lifetime to original customer of Auto & Light Truck. (Paint Sealant must be purchased to qualify).

**Customer Inspection Recall Option:** (Biennial (2 yr) Inspection Recall: email (\$1.<sup>00</sup>) or letter (\$10.<sup>00</sup>), sent to Customer)

**2. Optional Surface Rust / Rip Tear Burn (New Vehicles and New Vehicle Eligibility Extension)**

(Surface Rust \$33.<sup>00</sup>) and (Rip Tear Burn \$33.<sup>00</sup>) or (Both \$44.<sup>00</sup>)

**New Vehicle Definition** - Any vehicle 12 months old or newer from current model year with less than 24,000 km.

**New Vehicle Eligibility Extension** –Authorizes the issuing Dealer to extend the eligibility requirements for new vehicle coverage to vehicles which are up to 4 model years (3 Calendar years) with less than 150,000 km.

**New Vehicle Coverage** - 6 years from original in-service date.

**Eligibility for Transfer** (\$50.<sup>00</sup>)- Up to 6 years from in-service date.

**3. Optional Gold Seal Warranty Program (\$40.<sup>00</sup>) (No Inspection Required Warranty Coverage - Limited Lifetime - 10 years)**

**New Vehicle Definition** – Any vehicle 12 months old or newer from current model year with less than 24,000 km.

**New Vehicle Eligibility Extension** (\$10.<sup>00</sup>)

## RV Warranty Cost & Eligibility ( Dealer Copy for Accounting Remittance )

### **Pro-Tech Seal supplies a fully insured warranty on each individual Recreation Vehicle application.**

## PRO-TECH CHEMICAL AGREEMENT

### DEAL TERMS FOR PROGRAM TYPES SELECTED ON PAGE 1

**Warranty Claims:** Dealer may undertake work for claims made under Chemical Warranty Agreement, such work to be conducted in accordance with the General Provisions and the Chemical Warranty Agreement. Dealer certifies all vehicles sold/covered by this program to have applicable Pro-Tech Seal products applied in accordance with outlined application procedures to be eligible for coverage under the Terms & Conditions of the warranty. To receive a benefit a customer must follow the claims procedures listed on the warranty agreement. Pro-Tech Seal reserves the right to inspect all chemical claims and/or request additional independent repair estimates, supplier to be determined by Pro-Tech Seal Mfg.

**Agreement Pricing:** Pro-Tech Chemical Agreement pricing per current Pro-Tech Price Sheet. Prices subject to change with 30 days notice.

**Automobile, Marine, and RV Dealers**

**Refundable Damage Deposit:** A deposit of \$250 will be required on all System 1 loaner equipment. A deposit of \$500 will be required on all System 2 and System 3 loaner equipment.

**Credit Terms:** Invoice terms for products, warranties, and deposits are Net 30 days, 2% interest charged monthly on overdue accounts. A 20% restocking fee will be applied to all orders authorized and returned in saleable condition.

**3<sup>rd</sup> Party Applicators / Jobbers**

**Refundable Damage Deposit:** A deposit of \$500 will be required on all System 1 loaner equipment. A deposit of \$2000 will be required on all System 2 and System 3 loaner equipment.

**Credit Terms:** Invoice terms for products, warranties, and deposits are COD only. A 20% restocking fee will be applied to all orders authorized and returned in saleable condition.

**Dealer Equipment Responsibilities:** The Dealer hereby acknowledges delivery and installation of the equipment under this agreement and confirms it is in good operating condition and in all respects as represented. The Dealer agrees to be responsible to insure the equipment supplied for fire and theft. The Dealer agrees to use only Pro-Tech Seal supplied chemical products with the equipment. Pro-Tech Seal reserves the right to cancel the agreement and remove the equipment at their discretion. Repair of equipment due to negligence or improper maintenance and consumable items such as spray tips and spray wands are chargeable items.

## Certificate of Warranty Coverage and Benefits Transferred Gold Seal Chemical Protection Systems Warranty Agreement

**Effective Date:** 2008-11-09 (yyyy-mm-dd)

**Validation #:** RC101426

**Transferred from:** Your Dealership Name

**VIN:** 74875398

**Transferred to:** Your Customer's Name

**TERM:** 10 years from contract effective date

### **GOLD SEAL PAINT GARD WARRANTY**

Should any weather caused imperfections such as fading and oxidation appear the Authorized Dealer will repair the affected area and re-apply PRO-TECH SEAL Paint Gard Products to the affected area.

RV, BOAT, MOTORCYCLE AND HEAVY TRUCK RESTORATION: Every 24 months to validate the PAINT GARD Warranty.

PAINT MAINTENANCE: Regular cleaning with a liquid car wash soap or spray wash, dry with a soft cloth or synthetic chamois. MAINTENANCE KITS are available from your selling dealer or contact Pro-Tech Seal.

### **GOLD SEAL FABRIC GARD / LEATHER & VINYL GARD WARRANTY**

Should the upholstered fabric on seats become stained as a result of water-based substances such as coffee, milk, soft drink beverages or urine, the Authorized Dealer will clean the area and reapply Pro-Tech Seal Fabric Gard Products to the affected areas. Should the leather and vinyl interior become damaged by colour fading the Authorized Dealer will repair the affected area and reapply PRO-TECH SEAL Leather & Vinyl Gard Products. Leather and Vinyl Restoration must be done annually from the balance of the first bottle supplied at original application time.

FABRIC MAINTENANCE: Any spilled substances on the treated areas of the fabric upholstery should be blotted with a soft cloth or other absorbent material before drying.

LEATHER & VINYL MAINTENANCE: PRO-TECH SEAL Protect All Treatment must be re-applied annually to maintain warranty coverage. **MAINTENANCE KITS ARE AVAILABLE FROM YOUR SELLING DEALER OR CONTACT PRO-TECH SEAL.**

SPECIFIC EXCEPTIONS: This warranty does not cover stains caused by misuse, acid, dye, paint, bleach stains or other corrosives.

### **GOLD SEAL RUST GARD WARRANTY**

PRODUCTS INCLUDE: CLEAR RUST INHIBITOR FOR BODY PANELS, BLACK RUST INHIBITOR FOR THE UNDERCARRIAGE, AUTOSAVER (ELECTRONIC CORROSION CONTROL for the body panel components including above the bottom window line and undercarriage), AND THE ANNUAL APPLICATION DRIPLESS PRODUCT. Should body panel components and areas originally treated develop corrosion imperfections or perforations from the inside out or should the product crack and peel, the Authorized Dealer will repair said corrosion imperfections, and re-apply PRO-TECH SEAL RUST GARD

Products to the affected area originally treated. Vehicles covered under the Dripless Guarantee must have Dripless Treatment re-applied annually by the local Dealer for PRO-TECH SEAL within 30 days from anniversary date of the original treatment. The registered vehicle owner must submit verification by a copy of the invoice from Authorized Dealer to PRO-TECH SEAL within 30 days of the anniversary of the original application. Failure to do so renders the warranty null and void.

SPECIFIC EXCEPTION: This warranty does not cover cavity filled areas not originally treated, rust in seams caused by expansion of glued seams nor above the bottom line (above bottom window line is covered under Auto Saver), mechanical parts, exhaust systems or painted surface imperfections brought about by impact damage (i.e. scratches or stone chips)..

### **GOLD SEAL WARRANTY TERMS AND CONDITIONS**

**TERM:** Refer to Term above.

NEW RV, BOAT, HEAVY TRUCK TERM is 6 years from sale date to the first retail owner.

ELIGIBILITY for New is less than 12 months from in-service date and less than 24,000 km. ELIGIBILITY for Used is less than four (4) model years from original in-service date with less than 120,000 km.

Optional Surface Rust and Rip Tear Burn coverage is for 6 years from original in-service date on new vehicles only. All warranties are subject to Owner Compliance Requirements having been completed.

CANCELLATION: Policy is not cancelable after 14 days.

WARRANTY CLAIM: The owner of the vehicle must contact the Authorized Dealer if any conditions occur which are covered by these warranties within a 15 day period and must present his/her copy of

the warranty to the Authorized Dealer. Prior to the repair being performed call 1-800-661-6910 for claims approval. For RV, Boat and Heavy Truck, proof of biennial re-application required.

### **GOLD SEAL LIMITATION OF LIABILITY**

This is a limited warranty and there are no contingent or consequential damages or implied warranty or merchantability other than those listed on this warranty. This warranty becomes effective upon the professional applications of PRO-TECH SEAL products to the vehicle. These warranty coverages are limited to the repairs required not to exceed the then current cash value of the Vehicle.

**RV Boat and Heavy Truck not to exceed \$3,000 CDN.** Surface Rust and Rip Tear Burn repairs are limited to two (2) loss claims per vehicle during the term of coverage.

Burns requires a \$25.00 deductible payment per burn.

**RV Fabric/Leather & Vinyl coverage is limited to the following** – Drivers and Passenger Captain Chairs, Dinette Chairs or benches in Dinette area. Sofa bed Cushions and Swivel chairs in Living Area. The selection of the repair facility is at the sole discretion of PRO-TECH SEAL. Transportation costs incurred in obtaining Warranty Service are NOT covered. The "Warranty Agreement" must be submitted to PRO-TECH SEAL within 90 days from the effective date, paid for and completed in full and approved in order to validate the Warranty.

PRO-TECH SEAL does not assume liability under this contract until the canary colored copy is received by PRO-TECH SEAL and paid for by the Dealer.

ANY CHANGE OR ALTERATION OF THIS AGREEMENT WHATSOEVER SHALL RENDER THE AGREEMENT NULL AND VOID. The Authorized Dealer

Distributor, and the Manufacturer expressly excludes liability for incidental and consequential damages including but not limited to any property damage, loss of described vehicle, loss of life, personal injury, inconvenience and commercial loss under this warranty. These warranties do not supersede the vehicle manufacturers guarantees or warranties. Coverage is restricted to Canada and continental United States.

### **GOLD SEAL EXCEPTIONS**

- 1) This warranty does not cover any part or portion of the vehicle's treated areas which have been replaced and not retreated by the Authorized Dealer.
- 2) Accident alteration, vandalism or road material damage to the treated areas which have not been cleaned, **touch up** and retreated by the Authorized Dealer.
- 3) Acts of God – any damages which have been caused by hail, lightning, flood, wind, earthquakes, etc. and the consequences thereof.
- 4) Failure to properly maintain the treated vehicle.
- 5) Paint Gard coverage applies only to exterior painted surfaces.
- 6) Industrial Fallout unless Surface Rust option is selected.

### **THE FOLLOWING VEHICLES ARE NOT ELIGIBLE FOR COVERAGE:**

- 1) Any emergency use vehicle, ambulance, police and fire.
- 2) Any vehicle used for delivery, courier, rental, taxi, limousine, shuttle, racing or competitive driving.

### **GOLD SEAL WARRANTY TRANSFER**

To transfer this warranty, mail this copy within 30 days with the name and address of the new owner, the present odometer reading and date of transfer to PRO-TECH SEAL address on reverse. The transfer fee is \$60.00 + GST. Pro-Tech Seal reserves the right of refusal to transfer request.
